LOCATION

THE STAMPEDE RANCH is in the beautiful Eden Valley, on the Highwood River, 35 miles west of either High River or Okotoks, Alberta — towns on the Canadian Pacific Railway (nearest railway points to the ranch).

Altitude at the ranch is 4,500 feet. The ranch buildings are located on a bench in the valley, along the river, while to the west are the high peaks of the Canadian Rockies — to the north, south and east, the big foothills range country. Thousands of cattle for years, carrying many old-time brands, such as Bar U, O H, Y Cross, Diamond 7, D, U B, E V, and many others.

ACCOMMODATIONS

THE STAMPEDE RANCH is a practical cattle ranch, enjoying real ranch life. Accommodations have been made for a limited number of guests. It is **not** a resort.

Ranch buildings devoted to guest accommodations include main ranch house, log cabins and cottages. All beds, linen, etc., are comparable to those used in a first-class hotel. Rooms are furnished with both double and twin beds.

The large log living room at the main ranch house (40 x 30) is where guests gather to spend the evening, after a day in the open. Large native stone fireplace, piano, record player and radio. Hardwood floor makes it ideal for dancing.

Tub and shower baths, hot and cold water at all hours. Electric lights, comfortable beds, and furniture. Long-distance telephone and telegraph service.

ACTIVITIES

THE STAMPEDE RANCH is situated and conducted so that one may choose it for a holiday, either as one of activity or of rest.

It is far enough from town to afford endless and varied trails through the foothill range or back into the mountains, — in a beautiful scenic country for those who enjoy either horseback riding, hiking or mountain climbing.

Excellent trout fishing in the Highwood River and other neighboring mountain streams. For those who desire less active recreation there are many delightful spots, along quiet streams in shady nooks, where reading, fishing and bathing can be indulged in. Thousands of wild flowers of numerous varieties of every shade and hue, blossom all during the summer season.

Balmy, sunny days and cool nights are the rule, rather than the exception.

Horseback riding trips to neighboring ranches, including the EP, property of H.R.H. the Duke of Windsor, as well as picnics.

To get the most out of a ranch holiday, the hosts as well as the ranch must be genuinely western. Both these requirements will be found at The Stampede Ranch. Here an earnest effort is made to bring together congenial guests — therein lies the secret of a happy holiday.
